

MARKET REPORT

11th July 2019

Blackall agents yarded 1576 head at their fat and store sale on Thursday 11th July. Cattle were drawn from Blackall, Stonehenge, Isisford, Winton, Boulia, Barcaldine and Longreach districts. The fat cattle market was strengthened by five processors operating and the live export buyers once again provided solid competition on the Bulls yarded. Store cattle and feeder cattle were once again in demand with a solid panel of feeder and store cattle buyers present. The store heifer market was up to 40 c/kg stronger. **Blackall combined agents will be selling next on July 25th in the monthly Weaner, Store and Fat sale.**
