

MARKET REPORT

25th July 2019

Blackall agents yarded 4100 head at their weaner, store and fat sale on Thursday 25th July. Cattle were drawn from Blackall, Tambo, Stonehenge, Isisford, Winton, Boulia, Hughenden, Barcaldine and Longreach districts. The fat cattle market was strengthened by six processors operating and the live export buyers once again provided solid competition on the Bulls yarded. Store cattle and feeder cattle were once again in demand with a solid panel of feeder and store cattle buyers present. The store steer and heifer market was up to 20 c/kg stronger. **Blackall combined agents will be selling next on August 15th when a fat and store sale will be held in conjunction with a BLAA 'Paddock to Plate Luncheon'**
