

MARKET REPORT

13th February 2020 Market Report

Blackall Combined Agents yarded 1900 head at the first fat and store sale for 2020. The market followed the dearer trend of other selling centres with Fat and Feeder cattle being particularly sought after. Store cattle were also very strong with good local buyer support evident. The yarding consisted of cattle drawn from the Blackall, Tambo, Aramac, Jericho, Isisford, Longreach and Torrens Creek districts. **The next Blackall sale will be a Weaner, Store and Fat sale on Thursday 27th February.**
