Queensland Stud and Commercial breeders bought 43 lots (80%) of the catalogue. Other buyers came from NSW (5), VIC (2) and the EU (4 lots). Three heifers went to a Switzerland buyer and one lot of embryos went to a German buyer.

83 Registered Bidders and 247 other viewers from Australia, Switzerland, USA, Canada, Germany, and New Zealand. Good competition for the superior heifers and bulls at the front of the catalogue. The commercial bulls sold mostly to Queensland full blood breeders including some large pastoral companies.
