

MARKET REPORT 1st October 2020

Blackall Combined Agents yarded a total of 2925 head of cattle at our weekly sale. Cattle were sourced from Hughenden, Torrens Creek, Blackall, Jericho, Aramac, Muttaborra, Tambo, Stonehenge, Winton, Julia Creek and Cloncurry. A mixed quality yarding of cattle saw very strong competition. A lot of higher Brahman content weaners and backgrounders were making very good money, along with good runs of feeder steers making 390-400c/kg. Cow job was stronger across the board.
