It was a pretty good quality yarding with some good runs of trade and heavy weight shorn lambs along with good numbers of Merinos. There were only very limited numbers of new season lambs penned. Not all the regular buyers were present though this did not have any effect on the market.

The few trade weight new season lambs were close to firm selling from \$148 to \$200/head to average from 780c to 830c/kg cwt. The better selection of trade weight old lambs were \$5 to \$8 dearer selling from \$158 to \$199/head. Heavy weight lambs were \$8 dearer with the old lambs over 24kg selling from \$202 to \$240/head. A single pen of heavy weight new season lambs sold for \$217/head. Merino lambs were \$9 dearer with the trade weights selling from \$138 to \$190 while the heavy weight Merino lambs sold from \$191 to \$217/head. Young lambs to the restockers sold from \$128 to \$153 while young Merino lambs going back to the paddock made from \$115 to \$124/head. Very heavy white Dorper hoggets sold to \$240/head.

It was a mostly good quality yarding of mutton yarded where most grades were firm to \$5/head dearer. Merino ewes sold from \$130 to \$227 while crossbred ewes made from \$196 to \$240/head. Merino wethers sold from \$130 to \$240/head. Most of the sheep made from 660c to 700c/kg cwt. The restockers paid from \$119 to \$125 for Merino ewes and \$170/head for white Dorper ewes.
