

MARKET REPORT
25TH March 2021

A total of 1509 head of cattle were yarded for the monthly Blackall weaner sale. Rain in the central and north west was the cause of a reduced yarding. Consignments of lightweight weaners from the north were predominant again along with smaller runs of good quality local weaners and feeder cattle. A large percentage of the yarding was sourced from Richmond, Hughenden and Winton along with cattle from Jericho, Barcaldine and local consignments,

**The next Blackall sale will be a Prime & Store sale on
 Thursday 8th April 2021.**
