Dear Stud Cattle Breeder,

It's once again that time of year we are opening nominations for the 2021 Ag-Grow Premier Multi-Breed Bull Sale. As many of you are aware the 2020 sale was altered due to COVID-19 and we would like to extend our thanks to those who supported the sale in its online platform and contributed to its success in unusual circumstances.

As you are aware GDL acquired the sole agency due to the retirement of Ken McCaffery. Just like last year I, Mark Duthie, of GDL Stud Stock will continue as the Ag-Grow Sales Co-ordinator with the support of our Stud Stock team in Dalby and Rockhampton.

We are requesting that bull sale vendors have their number Nominations Form back to us by **Monday 29<sup>th</sup> March 2021**, with full Bull Sale Nominations to be in by **close of business Thursday 8<sup>th</sup> April 2021**. No late nominations will be accepted, please read the sale terms and conditions thoroughly.

Pedigree Entry Forms are attached. **These must be completed and returned to us prior to the Closing Date Deadline – Thursday 8<sup>th</sup> April 2021**. Entry forms can be emailed back to us and payment for Sale Entry Fees may be made electronically direct to our bank account. **Please note that our bank account details have recently changed**. Our email address and bank account details are highlighted at the end of this letter and on the Sale Conditions of Entry. Please ensure Entry Forms are clearly legible and the emailed document is of good quality. Sale entries can not be accepted until Entry fees are received. **Please read the attached Sale Entry Conditions carefully**.

**As Agents, we constantly strive to initiate features for our Ag-Grow Sales which benefit our Sale Vendors. We will continue to offer Volume Rebates for Bull Buyers again this year.**

Following closing of entries, a high profile, broad target, sale marketing campaign will be undertaken including online Sale catalogue and photograph of lots. This online availability of photographs is where a large proportion of our Sale bull buyers reference prior to the event. So in due course, plan to get good, attractive, individual photographs of your lots for exposure in the month leading up to the Sale.

We look forward to receiving your entries. GDL is committed to the success of this event for all Vendors. We will do our utmost to achieve Sale satisfaction for bull breeders who work

with us in co-operation to offer a line-up of bulls at Ag-Grow, eminently suited to enhance the best qualities of beef production in Central, Western and Northern Queensland.

Yours faithfully,

Mark Duthie,  
Ag-Grow Sale Co-ordinator
