## NEBO PRIME & STORE SALE

### 16th of April 2021

Combined agents at Nebo Saleyards saw a larger yarding of 1575 head on the 16/04/2021. Cattle were drawn from local and surrounding areas, highlighted by a top-quality line of 506 steers— account Strathdee, and 472 heifers— account Fort Cooper and Kainga. The quality line up of cattle on hand attracted a very strong buyer panel which had them travel from far and wide to attend, as well attracting plenty of local competition. Which in turn seen sale yards record prices achieved, the market was extremely strong across all descriptions of cattle, it was a great result for all vendors.
