Detailed Saleyard Report - Cattle  
 Market information provided by MLA's National Livestock Reporting Service

**Roma Store**

report date 05/10/2021

 Yarding 3419  
 Change -1487

comparison date 28/09/2021

Numbers continued their downward trend, falling by 1,487 to see a total yarding of 3,419 at the Roma Store Sale. Steers accounted for over half of the yarding and the majority of cattle were drawn from the usual supply area. The overall quality of the yarding was mixed with a limited supply of large single vendor lines of cattle yarded. A good buying panel was present and operating, including all regular processors. The market remained strong with solid buyer competition on quality cattle across the reduced yarding and price fluctuations were reflective of quality variations. Roma Saleyard records were broken today with the demand for light weight steers resulting in a new top price for steers of 731.2c/kg while heavy weight yearling steers set a new gross record of \$3,138/head. Light weight steers under 200kg improved by 64c, while yearling steers under 280kg fell by 11c to 45c/kg. Medium weight yearling steers to restockers rose by 21c to 97c, and heavy weight yearling steers lifted in price by 6c to 44c/kg. Light weight heifers to feed or paddock improved by 35c to 128c, while medium weight heifers to feed improved by 51c to 63c/kg. Heavy weight cows remained unchanged in price from the previous week.

Light weight yearling steers under 200kg sold to a top of 731.2c to average 685c/kg. Yearling steers under 280kg to restockers also made to 731.2c to average 648c/kg. Medium weight yearling steers under 330kg to restockers sold to 638.2c to average 605c/kg. Yearling steers under 400kg to feed made to a top of 618.2c to average 550c/kg. Heavy weight yearling steers over 400kg to feed reached a top of 534.2c to average 492c/kg. Light weight yearling heifers under 200kg to restockers reached a top of 684.2c to average 636c/kg. Yearling heifers under 280kg to restockers also made to 684.2c to average 580c/kg. Medium weight yearling heifers under 330kg to feed sold to 556.2c to average 533c/kg. Yearling heifers under 400kg to restockers reached a top of 570.2c to average 533c/kg. Heavy weight yearling heifers over 400kg to feed made to a top of 450.2c to average 441c/kg.

There were limited numbers of grown steers yarded, with the largest sample selling to 406.2c to average 406c/kg. Prime heavy weight grown heifers to processors sold to a top of 425.2c to average 421c/kg. Heavy weight 3 score cows reached a top of 368.2c to average 361c/kg. Heavy weight 4 score prime cows made to a top of 375.2c to average 373c/kg. Light weight bulls to restockers sold to a top of 630.2c to average 606c/kg. Cows and calves made to a top of \$2325/unit.
