Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

Roma Store

Yarding 3619
Change -514

report date 14/12/2021

comparison date 07/12/2021

Numbers fell to 3,619 at the last Roma Store Sale for the year. Cattle were drawn from the usual supply area and the overall quality was mixed but included some quality local lines in a yarding dominated by steers. A good competitive buying panel was present, including all regular processors, however one did not operate. Prices continued to strengthen further for steers as restockers and lot feeders actively competed on the smaller yarding, however prices eased in places for heifers and cows, with price fluctuations reflective of quality variations. Light weight steers under 280kg improved by 6c to 142c/kg. Medium weight steers improved by 22c to 55c, while heavy weight feeders improved by 4c/kg. Light weight heifers fell by 6c to 22c, while medium weight heifers under 330kg to restockers improved by 16c/kg. Heavy weight heifers to feed improved by 12c to 13c/kg. Cows were present in limited numbers, however heavy weight 3 score cows improved by 3c/kg.

Light weight yearling steers under 200kg made to a top of 882.2c to average 810c/kg. A small sample of yearling steers under 280kg to feed reached 890.2c to average 890c/kg. Medium weight yearling steers under 330kg to restockers sold to 856.2c to average 754c/kg. Medium weight yearling steers under 400kg to restockers made to 750.2c to average 697c/kg. Heavy weight yearling steers to feed reached a top of 632.2c to average 604c/kg. Light weight yearling heifers under 200kg to reached a top of 764.2c to average 687c/kg. Yearling heifers under 280kg to restockers made to 780.2c to average 674c/kg. Medium weight yearling heifers under 330kg to restockers sold to 724.2c to average 670c/kg. Yearling heifers under 400kg to feed reached a top of 624.2c to average 600c/kg.

The best of the limited number of grown steers made to 420.2c to average 420c/kg. Grown heifers were also in short supply, selling to a top of 470.0 to average 460c/kg. Cows were also yarded in limited numbers with medium weight 3 score cows selling to 386.2c to average 381c/kg. The heavy weight 3 score cows reached a top of 396.2c to average 394c/kg. The best of the heavy weight bulls reached a top of 391.2c to average 379c/kg. Cows and calves reached a top of \$3650/unit.

The first Roma Store Sale for 2022 will be on the 11th January.

Market Reporter: Sherrill Stivano.
