First sale back for 2022, both weaner & feeder cattle started off strong. Competition on fat cattle was minimal due to Covid affected meatworkers.

Next week GDL are selling 8th.

Detailed Saleyard Report - Cattle
 Market information provided by MLA's National Livestock Reporting Service

Roma Store

report date 11/01/2022

Yarding 2641
 Change NQ

comparison date 10/01/2022

Roma opened up with a total of 2,641 head for the first sale of 2022. Cattle were drawn from the local supply area alongside with a few from the south west of the state. Buyers remained active on feeder cattle and most categories of restocker pens opened up at similar levels to last year. There was a noticeable absence of processor buyers and competition on finished cattle was reduced.

Light weight restocker steers under 200kgs sold to 894.2c to average 779c/kg. Steers 200 to 280kg made to 895.2c with most of the C muscle lines averaging 801c/kg. Restocker steers 280 to 330kg returning to the paddock sold to 860.2c to average 752c/kg. Medium feeder steers made to 722.2c averaging 665c, while those returning to the paddock averaged 691c/kg. Heavy feeder steers topped at 614.2c to average 559c/kg. Light weight restocker heifers under 200kg made to 720.2c, while those 200 to 280kg topped at an isolated 806.2c to average 693c/kg. Medium weight heifers to feed for the domestic trade sold to 712.2c to average 643c/kg. Heavy weight yearling heifers to feed made to 522c/kg.

Finished grown steers struggled to maintain previous prices selling to 426.2c to average 400c/kg. Medium weight cows also lost ground selling to 348.2c to average 326c/kg. Heavy weight cows sold to 344.2c to average 328c/kg. A good number of cows and calves were yarded with the top price at \$4100/unit.

Market Reporter, Sam Hart.
