

Gracemere Market Report 08.06.2022

Following the Special Weaner & Feeder Sale on Monday, Combined Agents saw a decreased yarding of 1,497 head today, comprising of 767 steers, 451 heifers, 231 Cows, 32 Cows & Calves and 16 bulls. Quality was mixed, although generally good throughout on the offering drawn from local areas along with a large run from Mount Coolon and Bowen. The usual processors and feeders were short a couple of operators due to the low numbers. Restockers were active, however, prices were easier through most of the yarding.
