

MARKET REPORT

16th June 2022 Market Report

Blackall Combined Agents yarded 1063 head at the weekly fat and store sale today. The quality of the yarding was good with a small but reasonable yarding of fat cattle. Feeder and store classes were also well represented. The fat cattle saw an easing in line with other centres whilst feeder and store cattle were fully firm. The yarding consisted of cattle drawn from the Blackall, Tambo, Aramac, Ilfracombe, Boulia and Jundah districts.

The next Blackall sale will be a Fat and Store and Fat sale on Thursday 23rd June.
