

# Gracemere Market Report 13.07.2022

CQLX Combined Agents saw a slight increase in numbers yesterday with a yarding of 2,728 head, comprising of 1,632 steers, 656 heifers, 331 Cows, 65 Cows & Calves and 44 bulls. Cattle were sourced from Collinsville through to Theodore and all local areas in between. The yarding was of mixed cattle, although the quality was mostly good. Competition was reduced to a slightly smaller buyer's panel this week with a couple of processes and restockers not operating, which seen prices ease in most categories, as has been the trend in all other centres. With the better lines and quality cattle still meeting with strong competition.
